ENGLISH IL 9439

From: Sims.
To : Opnav.

9439 Having been officially informed by the British Admiralty of the signing of the armistice with Germany I have informed all the forces under my command of the fact and have directed immediate cessation of hostilities. The Forces have been warned that there are still certain german submarines on the high seas which may not have received information of cessation of hostilities and have been directed that necessary precautions be observed to forestall attack by these submarines 115411.
